

A sustainable and accessible local voice that reflects and enriches the diversity of our community

Social Media Policy (Facebook)

It is the responsibility of all posters to read and ensure they understand the following rules when posting or commenting on this page. Should clarification be required on these rules please send a personal message to our page Admin via the message button on this page or email info@indigofmradio.com

1. Be positive and respectful of other posters.
2. Be a thoughtful listener and contributor.
3. Negativity toward Indigo FM members or supporters will not be tolerated. First breach is a warning, second breach you will be banned.
4. Social Media is a public forum - so comments and posts should be similar to what you would be willing to say in front of a live and large public gathering.
5. Your personal wall is where you can have a whinge, not here.
6. Posts are to be Indigo FM - Arts/Music/Community related.
7. All posts are approved by Page Administrators before they are published here. As long as posts are compliant with these rules then they will be automatically approved for publication.
8. If you have concerns about a post removal, please message this Page for discussion. It is not necessarily up to Admin to contact you.
9. Threatening and/or abusive posts will not be tolerated and will result in an immediate lifetime ban.
10. Indigo FM has a grievance handling procedure which can be found here - <http://indigofmradio.com/wp-content/uploads/2016/03/Grievance-Handling-Procedure.pdf>
11. Enjoy and respect your fellow Indigo FM posters.
